Episode #37:

- The Egg’s Big Moment

Scripts:

Narrator: As the day of Johto continues, Ash, Ty and their friends are relaxing at New Bark Town. But, they were doing something else.
In the plain field outside, Ty, Raye, Avery, Jonah and Sarah were training their pokemons

Sarah: All right Litten, use Scratch!

Litten: Liiit!

Pachirisu: **Took a hit**
Litten dashes forward, claws glowing, striking Pachirisu and landing a clean hit

Avery: Hang in there, Pachirisu! You can do this!

Pachirisu: **Chirping**
Pachirisu skids back slightly from the impact but steadies itself, cheeks sparking faintly

Avery: All right then! Push forward with your Quick Attack!

Pachirisu: **Chirping**

Sarah: Now, Litten! Avoid her attack!

Litten: Litt!
Pachirisu bursts ahead with determination, but missed after avoiding it

Sarah: Good one, Litten!

Litten: Litt!

Ty: It's my turn! Teddiursa, Payback!

Teddiursa: Teddiursa!

Litten: **Took a hit**
Timing Litten’s forward motion, Teddiursa glows with dark energy and strikes back. The impact sends Litten tumbling gently onto the grass

Sarah: Hang on, Litten!

Litten: Litt, litt.
Litten lands, then quickly lifts its head, still ready and continuing training until Jonah commands Squirtle to attack

Ty: You're doing, Sarah. Keep it up.

Jonah: Let's see what you got. Squirtle, Water Gun!

Squirtle: Squirtle!

Teddiursa: Ursa? **Took a hit**

Ty: **Surprised** Whoaa!

Jonah: **Smile** Yes!
A stream of water shoots across the field, splashing directly into Teddiursa

Ty: Brace yourself, Buddy! We're not done yet!

Teddiursa: **Shakes off the water**

Raye: Don't get too hyped up, everyone!
As they resume training, Ash stands with Pikachu on his shoulder. Dawn kneels beside Manaphy, who floats curiously

Ash: They've really improved. That timing was perfect.

Dawn: Their coordination's getting sharper too. They're thinking ahead now.

Pikachu: Pika!

Manaphy: Manaa!
They resumed watching their training

Raye: **Confidently** Eevee, let's shake things up! Target both Teddiursa and Squirtle with your Swift!

Eevee: Vee! Vee!

Ty: Teddiursa, dodge left!

Jonah: Squirtle, avoid the attack!

Teddiursa: Ursa!

Squirtle: Squirt, squirt!
Glowing star-shaped projectiles burst forward, splitting into two streams aimed at both opponents. Teddiursa rolls aside while Squirtle spins, trying to lessen the impact as the shimmering stars explode softly around them

Dawn: They're really preparing for what's ahead.

Ash: Now this is what I call serious training!

Manaphy: Manaphy!

Pikachu: Pika Pika!
The Pokémon regroup, breathing steadily, eyes locked at each other for the next command

Raye: **Smile** You guys are getting very serious.

Ty: Hehehe, we're getting heated right now.

Avery: Imagine that we're doing this together.

Jonah: Teamwork of course.

Sarah: We're all doing it like a battle. Litten counter it with Fire Fang!

Litten: Litt, liiit!
Litten lunges, its fangs igniting in bright orange flames. It snaps forward, striking through the field with a fiery burst

Squirtle: Squirtle!

Teddiursa: Ursa!

Eevee: Vee!

Pachirisu: **Chirping**

Plusle: Plu!

Minun: Min!
Litten's attack connects, but causes Teddiursa and his buddies to avoid the attack on time

Avery: Whoa! Close one! That was really good, Sarah.

Sarah: You bet that I'm more good.

Raye: I think you're going to like this one. Jonah.

Jonah: I'm ready, Raye.

Raye: Plusle–

Jonah: Minun–

Raye & Jonah: Spark, now!

Plusle: Plu!

Minun: Min!
The twin Pokémon leap forward side by side, cheeks sparking brightly. Electric energy crackles as both Plusle and Minun release Spark at the same time. The attacks merge mid-air into a larger surge of electricity

Avery: Pachirisu, get out of the way!

Sarah: Litten, move!

Ty: Teddiursa, dodge now!
Teddiursa and his buddies quickly avoid the incoming combined spark surges through the center of the field striking empty ground and sending a harmless burst of light into the sky

Ash & Dawn: **Astonish**

Pikachu & Manaphy: **Astonish**
When the dust settles, everyone is still standing

Ty: Whoa! That was close!

Teddiursa: Ursa.

Dawn: **Amazed** They all reacted at the same time.

Ash: **Impressed** Looks like they know their strategies.

Manaphy: Mana!

Pikachu: Pika Pika.
All Pokémon regroup, breathing steadily. No one looks discouraged, they're more focused than ever

Ty: Nice reflexes, everyone.

Sarah: This is getting good. You two did great.

Avery: **Impressed** Your Minun and Plusle moves were awesome.

Jonah: Our Pokémon will make a great effort.

Raye: We do a lot of great training for us. You guys were good as well.

Sarah: As long as my pokemons are ready, they will be powerful.

Teddiursa: Ursa, ursa

Litten: Litt, litt.

Pachirisu: **Chirping**

Plusle: Plu, plu.

Minun: Min, min.

Ty: You guys did well today. Especially you, buddy.

Teddiursa: **Happy** Teddiursa.
Their pokemon were smiling each other for their training efforts

Ash: Great job, everyone. That was outstanding.

Dawn: You are making good progress here.

Raye: Thanks.

Ty: Sure. All right, that's enough of our training for today. And we need to heal our pokemons.

Jonah: Sure thing, Ty.

Dawn: You guys deserve a break.

Pikachu: Pika Pika.

Manaphy: Mana.

(Pokemon Master Revolution Theme Song Plays:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all
Pokémon Master Revolution
Pokémon

May (Narrator): The Egg’s Big Moment!
The Trainers carefully take out Potions, gently spraying their Pokémon’s minor scrapes

Avery: **Smile** Hold still, Pachirisu.

Pachirisu: **Chirping & smile**

Avery: There. All set.

Pachirisu: **Chirping**

Jonah: **After healing Squirtle & Minun** You're fully healed you both.

Squirtle: Squirtle, squirtle.

Minun: Min.
All of their pokemons are fully healed after training

Teddiursa: Ursa.

Ty: You're good for today, buddy.

Raye: He's getting better now on his training.

Ty: **Smile**
After that, Kimberly, May, Sakura and Melanie came outside bringing lunch on the table, calling out

Kimberly: Ty, everyone, lunch is ready!

Ash: All right. Perfect timing.

Pikachu: Pika Pika.

Manaphy: **Floats excitedly** Manaphy.

Sarah: Just we want to hear.

Ty: I was just starting to feel hungry.

Avery: Then I'll race you to the top.

Ty: Hey, no fair.

Jonah: **Smile** Wait for us.

Dawn: **Smile** It always happens.
The group begins walking back together, Pokémon trotting happily beside them. A table is set outside under the shade, filled with homemade dishes and drinks. The atmosphere is warm and fresh

Raye: This looks amazing.

Kimberly: You all worked hard this morning.

Ty: Thanks, Mom.

Sakura: We made this meal for all of you while you were training.

Avery: You guys are amazing at making meals.

May: Well, I made a nice salad alongside the food.

Melanie Rose: I helped her by adding some fruits on it.

Ash: Sure it's delicious.

Jackie: Well what are we waiting for? Let's eat!

Raye: Easy there, little sis. Just don't get too excited about it.
Everyone takes a seat, relaxing and chatting as the Pokémon settle nearby to eat their own food

May: Oh and by the way, has anyone seen Max? He's going to miss the meal.

Dawn: He went to see Professor Elm with Lillie earlier.

Raye: Didn't they stay with you while we were training?

Ash: Well, they did. But Max wanted to see the egg at the lab, so Lillie went with him.

May: I figured that.
Inside the lab in New Bark Town, machines hum softly. The Pokémon Egg rests safely inside its monitoring unit

Max: **Looking at the egg** Hmm...

Lillie: Anything new?

Max: Still nothing. It hasn't moved yet.

Lillie: **Gently** It'll happen when it's ready.

Professor Elm: The internal activity is steady. I'd say it may hatch very soon, perhaps even later.

Max: **Hopeful** It will? Oh boy, I hope so.

Professor Elm: **Smile** But try to be patient. That egg will hatch when the time is right.

Max: **Anxious** I just don't want to miss it.

Lillie: **Kindly** You won't, Max. You've been with it this whole time, watching over.

Max: I guess so.

Professor Elm: Waiting for an egg to hatch won't be a problem. By the way, Lillie. Is this your first time in Johto?

Lillie: That's right, Professor Elm. This is my first time. And it feels very different from Alola. The air is cooler, and the traditions are something I'm still learning about. In Alola, we had Island Trials instead. But I like how peaceful Johto feels.

Professor Elm: Every region has its own charm, including gym battles around.

Max: **Looking at the Egg** And this will be my first time really getting to know everything about being a Trainer. Someday, I want to go on my own journey too.

Lillie: You will. And you'll do great when you're big enough.

Max: Trust me. It'll make sense.
During the conversation, Ty enters the lab

Ty: **Cheerful** Hey Max and Lillie.

Lillie: Hey Ty.

Ty: **Walking over** Any updates on the poke egg?

Professor Elm: The Egg is stable and nearing its hatching stage.

Ty: That’s great news.

Max: **Excited** It could happen really soon!

Ty: **Smile** I'm sure it will. I came here to tell you that lunch is ready. Everyone's waiting for you.

Max: **Smile** Lunch sounds better instead of waiting.

Lillie: Then, let's have lunch while we come back.

Professor Elm: I'll stay and continue monitoring the egg. I'll let you know when it's ready.

Max: Thanks, Professor Elm.
The group sits together, enjoying a well-earned meal. Pokémon rest nearby, eating their food

Ash: **Eating** Your dishes are incredible Mrs Masterum. I didn't even think you were good at making good food.

Kimberly: **Smile** Thank you, Ash. I made this for Ty when gets hungry.

Ty: And that's why I love it. **Munching**

Jonah: **Smile & sweat drop** And he eats it.

Raye: **Smile** But the food is really good though.

Avery: **Curious** So how exactly does the Egg process work? Is it really close to hatching that professor Elm mentioned?

Lillie: **Nodding** Mm-hmm. He said It'll hatch very soon.

Max: **Smiling, trying to stay calm**
I’m being patient, even if it’s hard. I just keep wondering what Pokémon is going to come out.

May: **Teasing gently** You’ll find out soon enough, little brother.

Max: **Sigh**

Sakura: You'll get your companion anytime, even if you're not a trainer yet.

Max: Not just yet. So I won't be worried about it.

Dawn: That's good, Max.

Sakura: So what’s the plan for today?

Sarah: Well, since we finished our training. We can do anything whenever Ty or Raye decides.
Before they can answer, Ty sets his glass down, eyes lighting up

Ty: I got an idea!

Ash & his friends: Hm?

Ty: Why don't we have a pokemon battle. A tag battle.

Avery: A tag battle of two trainers?

Ty: Yeah! That 'll help our pokemons improve their experience and get stronger. How about it?

Teddiursa: **Agree with it with excitement** Teddiursa!
They liked Ty's idea of a tag battle, which is accepted

Sarah: A tag battle. I'm in.

Raye: I agree with it. You're on.

Jonah: I accept your challenge.

Ash: **Smile** So who's your partner to team up?

Raye: Jonah and I will go against Ty and Sarah. What do you think?

Ty: **Smile** Good call, Raye.

Max: I want to watch the tag between them.

Avery: Since they're doing a tag battle, I'll be the referee.
This energized everyone while their family smiles at them

Marcus Rose: Well, you must eat first before you guys can have fun.

Raye: We're gonna battle after lunch, dad.

Melanie Rose: That's good, sweety. Your friends will watch you.

Ash: We will.

Pikachu: Pika Pika.

Manaphy: Mana.

Lillie: You guys go on ahead while Max and I stay with Professor Elm at the lab.

Ty: Sounds good, Lillie.

Max: Sure.

Jackie: **Excited** I wanna see Raye Raye in the battle.

Raye: **Super annoyed** I told you, it's only Raye.
The open pokemon battle court field behind the lab, gathering and sitting on the bench

Sarah: **Smile** Ready to do this, cousin?

Ty: **Smile** I'm always ready. You're ready, buddy?

Teddiursa: **Excited** Teddiursa.

Raye: **Smile** Let's win this, Jonah. You've got this.

Jonah: **Smile** Same here to you, Raye.

Sakura: Look at them. They're very excited about it.

May: Yeah, let's see who's the best team to win.

Manaphy: Mana.

Ash: Let's cheer for them ordering their battle.

Avery: This will be a two-on-two tag battle! Trainers may switch freely! Ready, everyone?

Ty, Sarah, Raye and Jonah nodded, fully prepared to battle

Avery: And…begin!

Ty: Okay, here we go! Teddiursa, let's go!

Sarah: Girafarig, you're up!

Teddiursa: Teddiursa!

Girafarig: Gira!
Teddiursa lands with confidence while Girafarig steps forward gracefully

Raye: Eevee, let's go!

Jonah: Squirtle, come on out!

Eevee: Vee, vee!

Squirtle: Squirtle, squirtle!
Eevee lowers into a battle stance. Squirtle pumps its fists eagerly

Dawn: This is going to be good.

Ash: They're evenly matched.

Jackie: You can win this, Raye Raye!
The four Pokémon stand poised, awaiting the first command

Jonah: Squirtle, target Litten with your water gun!

Squirtle: Squirtle!

Sarah: Litten, dodge his attack quickly!

Litten: Litt! Litt!
A strong stream of water blasts across the field toward Litten, it missed it after Litten springs sideways at the last second

Squirtle: **Surprised** Squirt!

Sarah: Now, use Double Kick!

Litten: Litt! Litt!

Squirtle: **Being hit**
Litten dashes in low and fast, delivering two quick kicks straight into Squirtle's midsection

Jonah: Squirtle, hang in there!

Squirtle: Squirtle!
Squirtle stumbles back but stays standing, determined

Raye: All right it's my turn to battle! Eevee, go straight at Litten with Quick Attack!

Eevee: Vee, vee, vee, vee!

Sarah: Litten, keep your distance by avoiding the attack!

Litten: Litt! Litt!

Eevee charges forward in a flash of speed, Litten pivots sharply, narrowly avoiding Eevee's charge

Raye: No way!

Eevee: **Surprised** Vee!

Sarah: Use Ember, now!

Litten: Litt!

Eevee: **Being hit**
A burst of small flames shoots forward, striking Eevee directly.

Eevee: **Stumbling** Vee!

Raye: Eevee, are you alright?!
Eevee slides back across the grass, shaking off the impact but clearly feeling it

Eevee: **Nodded** Vee!

Raye: All right, keep it up!
Ash and his friends were watching, enjoying the view

Ash: **Impressed** Wow. Litten's really focused without getting hit.

Sakura: It's staying calm and waiting for openings.

May: That's a smart battling move.
Litten stands poised, flames flickering slightly as it narrows its eyes. Squirtle and Eevee regroup beside each other

Jonah: We can't rush in. Litten's strategy is more focused.

Raye: Right. We'll have to adjust.

Ty: Nice control, Sarah! You're getting better at it.

Sarah: Yeah, thanks to our training.
The battle intensifies as both sides rethink their strategies

Sarah: All right, Litten. Use Fire Fang against Eevee!

Litten: Liiit! Litt!

Raye: Eevee, avoid her attack by dodging!

Eevee: Vee! Vee!
Flames ignite around Litten's fangs as it lunges toward Eevee, but it immediately springs sharply to the right, narrowly avoiding the fiery bite

Litten: **Surprised**

Sarah: What!?

Raye: Now, use swift!

Eevee: Eevee! Vee!

Litten: **Being hit**
Glowing star-shaped projectiles burst forward, striking Litten mid-motion

Sarah: Litten!

Ty: **Surprised**

Teddiursa: **Surprised**
*The stars connect, knocking Litten onto the ground. Dust kicks up as it slides back. After a moment, Litten plants its paws firmly and rises again, eyes still burning with determination**

Sarah: Litten, you can still fight?

Litten: **Nodded** Litt.

Sarah: **Smile** Good.

May: Wow! Eevee's dodge was perfect!

Dawn: They waited for the exact moment Litten committed to the attack. That timing made the counter possible.

Sakura: Looks like Eevee is fighting back at once.

Ash: Now that's adapting!

Pikachu: Pika!

Jackie: Go, Raye Raye! You can win!

Manaphy: Manaphy!
**Inside the lab in New Bark Town, the atmosphere is calm. Machines hum steadily as data scrolls across the monitors.*
*Professor Elm studies the Egg's readings carefully while Lillie observes beside Max, watching every tiny detail**

Professor Elm: The internal development is complete, but sometimes Eggs take a little longer to begin the final stage.

Lillie: That just means it's building up strength.

Max: **Patient** I just want to be here when it happens.

Lillie: It shouldn't take longer, even if it's not happening.

Max: I just hope it happened earlier.
As they keep monitoring, the egg gives a small twitch inside the incubator

Professor Elm, Max & Lillie: **Surprised**

Lillie: **Eyes widening** Did you see that?

Professor Elm **Leaning closer** Yes, the shell just shifted.
The Egg wiggles again, this time more noticeably

Max: It's moving!

Professor Elm: Excellent. This could be the beginning of the hatching process.

Lillie: It's finally happening.
Outside of the battle court, the match intensifies as both teams reposition

Ty: All right, Teddiursa! Charge in with fury swipes!

Teddiursa: Ursa! Ursa!

Jonah: Squirtle, move quickly by dodging!

Squirtle: Squirtle, squirtle!
Teddiursa rushes forward, claws glowing as it swings rapidly toward Squirtle. At the last second, Squirtle sidesteps, the claw strikes slicing through empty air

Teddiursa: Ursa!?

Jonah: Now, use Rapid Spin!

Squirtle: Squirtle! Squirtle!

Teddiursa: **Being hit**

Ty: Whoa!!
Squirtle pulls into its shell and spins at high speed, slamming into Teddiursa with surprising force. Teddiursa stumbles back from the impact, but lands it safely

Ty: **Smiling despite it** Nice move, Jonah. That was smart.

Jonah: Thanks, Ty. I'm getting more focused. Squirtle, use your same attack again!

Squirtle: Squirtle! Squirtle!
Squirtle spins forward once more.

Ty: Teddiursa, dodge the attack and use payback!

Teddiursa: Teddiursa!

Squirtle: **Surprised** Squirt!?

Teddiursa: Ursa!
Before Teddiursa can attack Squirtle, Raye makes a call to Eevee

Raye: Eevee, Quick Attack, now!

Eevee: Vee! Vee, vee, vee, vee!

Teddiursa: **Being hit**

Ty: **Surprised**

Ash & his friends: **Surprised**

Pikachu & Manaphy: **Surprised**
Eevee blurs forward in a flash of speed, striking Teddiursa directly, stumbling into the ground

Ty: Buddy, can you get up?

Teddiursa: Ursa.

Ty: **Smile** Outta boy.

May: Eevee just saved Squirtle.

Ash: **Impressed** That counter was perfectly timed!

Dawn: They’re really reading each other’s moves now.

Sakura: That's their teamwork right there.

Pikachu: Pika Pika!

Manaphy: Mana!

Jackie: **Cheering** You've got this, big sis! I know you can!
Raye smiles at her sister

Jonah: You did a great move on time. Thanks for the assistance and Eevee too.

Raye: Thanks, Jonah. You're doing great, Eevee.

Eevee: Eevee.

Raye: All right then, use swift!

Eevee: Eevee! Vee!

Ty: Here it comes!

Sarah: I'll handle this! Litten, step in by avoiding the attack!

Litten: Litt! Litt!
Star-shaped projectiles burst outward, but misses it

Eevee: Vee!?

Raye: **Surprised** Huh!?

Jonah: Oh no!

Sarah: Now, use fire fang!

Litten: Liiit!

Eevee: **Being hit**

Raye: Eevee!
Litten lunges, flames blazing from its fangs. It connects cleanly with Eevee before it can retreat. The fiery strike sends Eevee sliding across the battlefield. After a moment, Eevee tries to rise, but gently falls back down, unable to continue

Eevee: **Fainted** Eevee...

Avery: Eevee is unable to battle! Litten and Teddiursa win.

Ty: Yes!

Sarah: Way to go, Litten!

Jackie: **Shocked** No way.

May: That turnaround was fast.

Dawn: Sarah waited for the exact opening.

Pikachu: Pika.

Ash: (They're doing an amazing job on the battle.)

Ty: Thanks, Sarah. That was perfect timing.

Sarah: That’s what partners are for, cousin.
Raye kneels beside Eevee, returning it gently

Raye: **Smile** You did great. I promise that I'll continue training you. For now, get some rest.
Raye returns Eevee back to her pokeball. The wind sweeps across the field as they remain, ready to continue the battle

Jonah: We can still do this, Raye.

Raye: **Smile** I know. I'll send it out. Let's go, Plusle!

Plusle: Plu!
Plusle lands energetically on the field, cheeks sparking with electricity

Dawn: Looks like Raye sent out Plusle to fight.

Jackie: Umm. Can Plusle really take on Teddiursa and Litten?

May: Raye’s not rushing. She’s focused on the battle.
Plusle's speed and teamwork skills could change the momentum.

Ash: Electric types can pressure both opponents if used right.

Sakura: They’ll always find a strategy to win.

Manaphy: Mana.

Pikachu: Pika.
Plusle sparks brightly, facing Teddiursa and Litten. Squirtle stands ready at Raye’s side

Avery: Is everyone ready?

Ty, Sarah, Raye & Jonah: Yeah!
The trainers were ready in position

Avery: Begin!

Ty: All right, buddy, fury swipes, now!

Teddiursa: Teddiursa!

Raye: Plusle, dodge now!

Plusle: Plu!
Plusle darts to the side with impressive speed, the claws barely missing

Teddiursa: Ursa!?

Raye: Now, use spark!

Plusle: Plu! Plu!

Ty: **Being hit**
Electricity surges around Plusle’s body as it rams into Teddiursa. The impact crackles with energy, sending Teddiursa stumbling backward

Teddiursa: Ursa!

Ty: Teddiursa, hang on.

Teddiursa: Teddiursa.

Sarah: Be careful, Ty. We need to concentrate.

Ty: Yes.

Raye: It's your turn, Jonah.

Jonah: Thanks, Raye. Squirtle, use rapid spin at Litten!

Squirtle: Squirtle! Squirtle!
Squirtle spins forward rapidly toward Litten

Sarah: Litten, dodge his attack and use Ember!

Litten: Litt! Litt!
Litten leaps aside as Squirtle's first spin barely misses, A burst of flames shoots toward Squirtle

Litten: Lit!

Jonah: Squirtle, evade the attack quickly!

Squirtle: Squirtle!

Litten: Litt!?

Sarah: **Surprised**
Squirtle springs over the Ember, lands smoothly, and immediately tucks back into its shell

Jonah: Now, use rapid spin again!

Squirtle: Squirtle! Squirtle!
This time, Squirtle slams directly into Litten with full force

Litten: **Shocked** Litt!! **Being hit**

Sarah: **Shocked** Litten!
Litten slides across the battlefield and tries to stand, but its legs give out

Litten: **Fainted** Litt...

Avery: Litten is unable to battle! Squirtle and Plusle win!!

Ash & his friends: **Amazed**

Pikachu & Manaphy: **Amazed**

Sakura: **Smiling** This battle just keeps getting better.

Ash: They're adapting so quickly.

Dawn: **Observing** Ty's starting to shift his approach, he's thinking ahead now.

May: Yeah. He doesn't like falling behind.
Despite that Litten lost, Sarag was smiling at Litten for doing an outstanding battle

Sarah: You did great, Litten.
She straightens, holding another Poké Ball

Ty: Cheer up, cousin. You have one pokemon left with you.

Sarah: **Smile** Don't worry, Ty. I'll make my team proud.
Sarah pulls her second pokeball, sending out Girafarig to fight

Sarah: Here goes nothing! Go, Girafarig!

Girafarig: Fariiiig!
She throws the Poké Ball, and Girafarig appears gracefully on the field

Ash: She has one last pokemon to use.

Sakura: Hopefully she doesn't back down.

Avery: All right then, begin!

Raye: Okay, Plusle, target Girafarig with quick attack!

Plusle: Plu! Plu!

Sarah: Dodge her attack by sidestep!

Girafarig: Fariiiig!
Plusle darts forward in a flash of speed toward Girafarig, it pivots gracefully, avoiding the strike with ease

Raye: Grr.

Sarah: Good one, Now use stomp!

Girafarig: Fariiiig!

Plusle: **Being hit**

Raye: Plusle, hang in there!
Girafarig lifts its foreleg and slams it down, striking Plusle solidly* Plusle tumbles across the field, skidding along the dirt

Raye: You can still battle, Plusle!

Plusle: Plu!

Jonah: I'll cover for you. Squirtle, rapid spin now!
Squirtle pulls into its shell and rockets forward toward Girafarig

Sarah: Girafarig, counter it with stomp!

Girafarig: Gira!

Squirtle: **Being countered**

Jonah: **Surprised** Squirtle!

Raye: **Surprised**

Ash & his friends: **Surprised**

Ash: Girafarig counters Squirtle’s attack.

Pikachu: Pika!
Girafarig braces itself and meets the spinning Squirtle head-on, using its momentum to deflect the attack. The impact sends Squirtle bouncing backward

Sarah: It's all yours, cousin.

Ty: All right! Teddiursa, take out Squirtle with payback!

Teddiursa: Ursa! Ursa!

Squirtle: **Being hit**

Jonah: **Surprised** !
Dark energy surrounds Teddiursa as it charges and lands a powerful hit. Squirtle hits the ground hard. It tries to lift itself... but collapses, unable to continue

Squirtle: **Fainted** Squirt...

Jonah: Squirtle!

Avery: Squirtle is unable to battle! Teddiursa and Girafarig wins!

Sarah: Good job, Ty.

Ty: That was excellent, buddy.

Teddiursa: Teddiursa.

Jackie: **A bit worried** Oh no...

May: That combo was perfectly timed.

Sakura: They waited for the opening.

Dawn: He coordinated that really well... he’s staying composed under pressure.

Ash: That’s a growth strength.
Jonah gently recalls Squirtle back to his pokeball

Jonah: **Softly** You did great.
**Plusle slowly gets back on its feet, sparks flickering weakly.*
*Teddiursa and Girafarig stand ready, breathing steadily**

Ty: They don't look so tired.

Sarah: **Smile** At least their doing they're best efforts.
Jonah looks toward at Ty

Jonah: **Smile** Nice coordination, Ty. Teddiursa’s timing was perfect.

Ty: **Smile** That is why Teddiursa is perfect in battle.

Teddiursa: Ursa.
Jonah is holding up his last poke ball

Jonah: That's a good point. Alright, Minun, let’s go!

Minun: Minun!
Minun lands beside Plusle, cheeks sparking in sync

Jackie: **Eyes lighting up** Wow! That’s such a cute Pokémon!

Dawn: Now that changes things.
Plusle and Minun glance at each other confidently. Inside the lab in New Bark Town, the Egg rests in the incubator. Professor Elm studies the monitor while Max and Lillie lean in close

Max: Since It moved earlier, do you think it's happening now?

Professor Elm: The hatching response is becoming more active.

Max: So it's in good condition then.

Lillie: See? I told you would've been worried. But still.

Max: Yeah. It needs more time. **Excited** But I'm looking to that.

Professor: Yes, Max. It'll be ready sooner.
Back on the battlefield, the pokemon tag battle continues

Avery: Ready? Battle!

Ty: Teddiursa, use payback!

Teddiursa: Teddiursa! Ursa!

Jonah: Minun, dodge!

Minun: Min! Min!
**Teddiursa charges forward, dark energy forming around it.
Minun springs lightly to the side, avoiding the strike**

Teddiursa: Ursa!?

Jonah: Great dodging! Now use quick attack!

Minun: Minun! Min!

Teddiursa: **Being hit**
Minun dashes in at high speed, striking Teddiursa cleanly

Ty: Hold on, buddy.

Teddiursa: Ursa.

Ash: Plusle and Minun are waiting for the exact moment to move. Their timing’s really careful.

Pikachu: Pika pika.

May: Raye and Jonah are completely focused now. They’re not rushing at all.

Sakura: This is getting intense!

Manaphy: Manaphy.
Plusle and Minun stand side by side, sparks crackling in rhythm. Teddiursa steadies itself while Girafarig watches for an opening

Sarah: Girafarig, use your stomp again!

Girafarig: Gira!

Jonah: All right, I won't lose this battle. Minun, dodge quickly!

Minun: Min! Min!
Minun flips aside at the last second.

Sarah: Oh no!

Girafarig: !!

Jonah: Now, use quick attack!

Minun: Min! Min, min, min!

Girafarig: **Being hit**
Minun blurs forward and strikes Girafarig cleanly

Girafarig: Gira.

Sarah: Girafarig.

Raye: All right, Plusle, use thunder wave

Plusle: Plu! Plu!
Electric rings burst outward and wrap around Girafarig

Girafarig: **Paralyzed** Fariiiig!

Sarah: Girafarig, move!
Girafarig struggles, electricity crackling across its body—but it can't move

Sarah: This is not good!

Raye: Now's my chance! Use spark!

Plusle: Plu! Plu!
Plusle charges in, surrounded by electricity, and lands a direct hit Girafarig falls to the ground, unable to continue

Girafarig: **Fainted** Gira…

Sarah: Girafarig!

Avery: Girafarig is unable to battle! Plusle and Minun wins! And for the result Sarah has been eliminated!

Raye: **Happy** You did it, Plusle!

Jonah: **Happy** Yeah, good job!

Plusle: Plusle!

Minun: Minun!

Dawn: Looks like Sarah is done.

Sakura: But she did good today.

Ash: I agree on that.

Jackie: **Happy** Great going, Raye Raye!
Raye was smiling at her sister while Sarah returns her Girafarig back to her pokeball to rest

Sarah: **Smiling warmly** You were amazing out there. Thank you.
Despite she was eliminated, she remains proud

Ty: You did good today, Sarah.

Sarah: Thank you, Ty.

Avery: **Smiling** Are you ready to resume the battle?

Ty: **Smile** I'm always ready. Let's give them all we got, buddy.

Teddiursa: Teddiursa.

Ty: Okay! Let's go, give them what you got with your fury swipes!

Teddiursa: Ursa! Ursa!

Minun: **Being hit**
Teddiursa rushes forward and lands a solid hit on Minun

Jonah: Minun! Don't give up!

Minun: Min...min.
Minun staggers, but forces itself back up, sparks flickering stubbornly

Dawn & Sakura: **Impressed**

May: **Concerned but impressed** It’s still standing.

Ash: Minun’s not giving up!

Ty: Let's do this again! Payback, now!

Teddiursa: Ursa!

Jonah: (All right, it's time to get this over with.) Minun, thunder wave, now!

Minun: Min! Min!
Teddiursa charges again, but Minun releases a pulse of electricity just in time, hitting Teddiursa

Teddiursa: **Paralyzed** !!

Ash & his friends: **Surprised**

Pikachu & Manaphy: **Surprised**

Ty: Teddiursa!

Teddiursa: **Paralyzed** Ursa!

Ty: Teddiursa, buddy, move quickly!
Teddiursa tries to push forward, but its body locks up from paralysis

Ty: **Shocked** What?!

Sakura: It used the same move earlier.

Sarah: **Surprised** His moves are important.

Teddiursa: **Paralyzed & struggling** Ursa...

Jonah: Now Minun, use Spark!

Minun: Minun!

Teddiursa:
Gathering the last of its strength, Minun charges forward in a brilliant surge of electricity and strikes Teddiursa head-on.
A burst of light fills the field.

Ty: Ahh!

Ash & his friends: Whoaa!!!

Pikachu & Manaphy: **Surprised**
Teddiursa falls gently onto the ground, unable to continue

Teddiursa: **Fainted** Ursa...

Ty: Buddy!

Avery: Teddiursa is unable to battle! Plusle and Minun wins!

May: That was amazing.

Sakura: Jonah is getting good with Minun.

Jackie: **Cheering** You did it, big sis!

Ash: That comeback was incredible!

Sarah: They controlled the pace perfectly at the end.

Dawn: Hmm...
Ty kneels beside Teddiursa, comforting him

Ty: **Soft smile** You did great, buddy. I'm proud of you.

Sarah: I'll take care of him.

Ty: Thanks, Sarah.
He gives Teddiursa to Sarah to watch over him while Ty stands and smiles at Jonah and Raye

Ty: **Smile** You did well, my friend. Both of you.

Raye: **Smile** And yours too.

Ty: **Smile** But it's not over yet. I'm ready to win this battle.
Ty pulls his last pokeball, ready to send Gyarados out

Sarah: You've got this, Ty! Show them what you can do!

Ty: I promise. I'll do my best. All right, Gyarados, I choose you!

Gyarados: **Roaring**
The ground trembles slightly as Gyarados towers over the field, while Jackie was surprised of that pokemon

Jackie: **Eyes wide** Whoa! That's the scary pokemon! Ahh!

Raye: **Slightly annoyed** It's not scary, Jackie. It's just a Pokémon.

Jackie Oh. Right. **Sheepishly smile** Thanks, Raye Raye!

Raye: **Sigh & embarrassed** Don't call me that, okay.

Ash: Ty's not holding back with his Gyarados.

May: Plusle and Minun will need perfect coordination now. It's two versus one.

Avery: The final battle starts now! Begin!
Gyarados looms over Plusle and Minun, its fierce gaze locked on them. Sparks flicker from the Electric-type duo's cheeks as they brace themselves

Raye: Plusle, use thunder wave!

Plusle: Plu!

Ty: Gyarados, dodge it now!

Gyarados: **Roaring**
Rings of electricity surge toward Gyarados. With a powerful sweep of its massive body, Gyarados twists aside. The thunder wave barely misses, striking the ground instead

Jackie: **Astonished** It's so fast for such a big Pokémon!

Ash: Ty trained it well.

Pikachu: Pika Pika.

Ty: **Pressing the advantage** Let's turn this around, Gyarados, use Iron Tail!

Gyarados: **Roaring**
It's tail glows with metallic light as it swings down in a crushing arc toward the Electric duo

Jonah: Minun, move quickly!

Raye: Plusle, split up!

Plusle: Plu!

Minun: Min!
At the last second, Plusle and Minun leap in opposite directions. The Iron Tail slams into the ground, sending dust flying everywhere

Sakura: **Impressed** That dodge was perfectly timed!

Dawn: They adapted instantly.

Sarah: Their teamwork keeps improving every minute.

Jackie: That was awesome.

Ty: Don't let them corner you, Gyarados.
Gyarados snarls, ready to strike again while Plusle and Minun exchange determined looks

Jonah: If we want to win, we need to find the right way to take down Gyarados.

Raye: Don't worry. I'll figure it out quickly.
Across the field, Ty narrows his eyes

Sarah: These guys are planning their moves.

Ash: There doing by winning.

Ty: (There planning on something. I better make a move quickly before they realized.) All right, Gyarados, use Hydro Pump directly at them!

Gyarados: **Roaring**
A massive blast of high-pressure water fires toward the Electric duo, tearing through the battlefield and kicking up waves of dust and debris

Jonah: Here it comes! Minun, dodge!

Raye: Plusle, avoid!

Minun: Min!

Plusle: Plu!
At the last second, both Pokémon spring in opposite directions. The Hydro Pump crashes into the ground between them, leaving a soaked crater

Jackie: That was huge!

Sakura: If it was a hit, it would've ended it.
Water drips from the battlefield as Gyarados roars again. Plusle and Minun regroup, cheeks sparking brighter than before

Ash: They can't keep dodging forever. They'll need to strike back soon.

Pikachu: Pika Pika.
During the battle, Dawn was analyzing on both Plusle and Minun

Dawn: **Analyzing quietly** They're struggling... Gyarados's power is overwhelming them. I don't think they're fully ready for something like this yet.

May: But they're not backing down either.

Ty: **Serious** Gyarados, get ready to attack at any second!
Gyarados lowers its head, muscles tensing, water swirling around its body

Jackie: **Nervous** This is intense.
Raye narrows her eyes, watching Gyarados carefully. Sparks flicker from Plusle's cheeks as Minun steadies itself beside it

Jonah: We can't overpower it directly.
Raye suddenly pauses, then slightly had an idea

Raye: I've got an idea.

Jonah: You do?

Raye: Yeah. But I'll need you to trust me on this.

Jonah: I'm with you.

Ash: Looks like they've got a plan.

Sarah: What are they thinking?

Pikachu: Pika.
During the plan that Raye and Jonah thought about, they resumed the battle

Raye: All right, Ty! We're ready when you are!

Ty: That's good to hear, Raye. Gyarados, Dragon Rage, now!

Gyarados: **Roaring**

Jackie: **Gasped** Watch out!

Raye & Jonah: **Nodding each other** Get ready…
A spiraling blast of draconic energy erupts from Gyarados, tearing across the battlefield toward Plusle and Minun

Raye: Now!

Raye & Jonah: Dodge!!

Plusle: Plu!

Minun: Min!
At the very last second, Plusle and Minun leap in perfect sync, the Dragon Rage exploding behind them in a cloud of smoke

Ty: **Gasped** Ahh!

Ash & his friends: **Surprised**

Pikachu & Manaphy: **Surprised**

Ash: That timing!

Raye: Plusle, Thunder Wave!

Jonah: Minun, you too!

Plusle & Minun: **Unleashing thunder wave together**
*Both Electric-types release crackling rings of electricity at the same time. The twin waves collide with Gyarados before it can recover.

Gyarados: **Paralyzed**

Ty: Gyarados!
**Electric currents surge over Gyarados's massive body.
Gyarados roars, struggling to move, but its muscles lock up completely**

Dawn: They doubled the paralysis!

May: That was their plan!

Raye: This is it! Now's our chance! Spark, now!

Jonah: Do it as well, Minun!

Minun: Min!

Plusle: Plu!
Plusle and Minun charge side by side, electricity blazing brighter than ever

Gyarados: **Being hit**

Ty: Gyarados, no!
They strike Gyarados simultaneously, a massive burst of light engulfing the field* When the dust clears, Gyarados crashes down, unable to continue

Gyarados: **Fainted**

Avery: Gyarados is unable to battle! Plusle and Minun wins! And the winner of this match goes to Raye and Jonah!

Ash & his friends: **Surprised**

Jackie: **Jumping excitedly** You did it, Raye Raye!

Sakura: That strategy was brilliant!

Ash: *Grinning proudly* They used teamwork to overcome raw power. That's how you win tough battles.

Pikachu: Pika pika!

Manaphy: Mana!

Teddiursa: Ursa.

Sarah: **A bit saddened**
Ty kneels beside Gyarados, gently recalling it

Ty: **Softly** You battled hard. I'm proud of you.
He stands and smiles at Raye and Jonah

Ty: That was amazing. You outplayed us.

Jonah: It was a team effort.

Raye: We trusted each other.
Plusle and Minun bump paws, sparks popping playfully making the trainers smile just as Ash and his friends joins with them

Ash: That was an awesome battle!

Dawn: Your timing at the end was perfect.

May: Doubling the thunder wave like that was really smart.

Sakura: Your skills are better than I thought.

Pikachu: Pika pika!
Ty and Sarah walk toward Raye and Jonah, both smiling proudly and shaking hands

Ty: You guys earned that win.

Jonah: Thanks. You pushed us the whole way.

Sarah: That strategy at the end was really impressive. Even that we lost today.

Raye: **Smile** You did good today. Your pokemons were great in the battle. I'll let you win when you need a rematch.

Sarah: **Smile** Deal.

Jackie: Raye Raye!

She happily wraps her arms around her big sister

Raye: H-Hey!

Jackie: You were amazing today, Raye Raye.

Raye: *Sigh & soft smile* Yeah yeah, we won. But thanks.
She sighs but then smiles softly, patting Jackie on the head

Sakura: That's what I love about battles like this.

Ash: Win or lose, everyone gets stronger.

Ty: *Smile* Of course.
As everyone finishes celebrating, the lab doors burst open

Max: *Excited* Guys! It's happening!

Ash & his friends: Huh?

Lillie: *Smiling brightly* The Egg is about to hatch!

Jonah: *Excited* No way!

Sarah: *Excited* Is it!?

Professor Elm: You'd better come quickly! It's a moment you've been waiting for!

Ash: Let's go then!

Pikachu: Pika!
*Without hesitation, Ash and the others rush inside the lab. The Egg rests in its incubator, glowing faintly. Small cracks begin to spread across its shell.

May: It's really happening...
The cracks widen, a bright flash fills the room

Ash & his friends: Whooaa.
The shell breaks open completely, standing in the middle of the shattered shell pieces is a smiling spike ball Pokémon, Togepi

Togepi: Togepi.

May: *Eye brightly* No way.

Ash: *Smile* It's Togepi.

Jonah: *Amazed* Incredible.

Ty: Let's see.
Ty checks on Togepi on his pokedex for information

Pokedex (Voice): *"Togepi, the Spike Ball Pokémon. As it's energy, it uses the feelings of compassion and pleasure exuded by people and Pokémon. It stores up happy feelings in its shell, then shares them out."*

Ty: That is so cool.
The newborn Togepi looks around curiously

Pikachu: Pika.

Togepi: **Happy** Togepi.

Pikachu: **Happy** Pika.

Manaphy: **Happy** Manaphy.

Teddiursa: **Happy** Ursa.

Plusle: **Happy** Plusle.

Minun: **Happy** Minun.
Togepi waddles forward happily, greeting Pikachu and the others with cheerful sounds. Then, it's eyes land on Max. Togepi toddles over and gently hugs his leg

Max: **Smile** Hey there, buddy.
Togepi toddles over and gently hugs his leg

Togepi: **Happy** Togepi.

Ash & his friends: **Awe** Awwww!

Lillie: **Smiling warmly** It looks like Togepi became friends with you.

Professor Elm: It must feel safe with him.
Max carefully kneels down and lifts Togepi into his arms

Max: **Happy** Hi there.

Togepi: Togepi.

Max **Smile** Don’t worry. I promise I’ll take good care of you.
Togepi giggles happily, snuggling closer

Ty: **Smile** Well. You got a new partner with you.

Raye: That’s a pretty special moment.

May: He's not a trainer yet. But I'm happy for him.

Jackie: Can I pet him?

Max: Sure.
Jackie softly pets Togepi's head

Togepi: **Comfortable** Togepi.

Jackie: **Giggles** You look very cute.

Togepi: **Happy** Togepi.

Ash: Well, Togepi. Welcome to our family.
Everyone all smiles at Togepi excitement. After they returned home, they were greeted by Ty and Raye’s family

Ty: Mom, we're home.

Kimberly: Welcome home, darling. How was it today?

Ty: We had a great time on a tag battle today. Raye and Jonah have proven their way.

Sarah: They've won with an amazing strategy.

Ash: And they were more focused during their battle.

Marcus Rose: **Smile** Aha! Sounds like it was a real showdown. You did well my princess.

Melanie Rose: That’s wonderful! Everyone must’ve learned a lot.

Raye: Thanks mom, dad.

Max: And I have a new poke buddy with me, take a look.
He gently reveals the tiny Togepi in his arms

Kimberly: Oh my. It's adorable.

Melanie Rose: I never seen any kind of these pokemon before.

Marcus Rose: **Smiling** So this is the new partner, huh?
Togepi giggles happily while Pikachu and the others gather around it

Kimberly: **Smile** They’re making friends each other.
Pikachu, Teddiursa, Togepi and their buddies were happy each other, just as the gang were about to leave on their adventure

Ty: Well, Mom. We're about to head and continue our journey.

Kimberly: You can't go yet.

Ty: Uh?
As the group prepares to leave for their next journey, Kimberly raises a hand

Kimberly: You’re not going anywhere on an empty stomach. We made a nice dinner for you guys.

Marcus Rose: And it's fully ready.
They showed their meals on the table

Melanie Rose: This meal helps you to entertain.

Sarah: Whoa. That looks good.

Ty: Well, eating dinner would be a better idea.

Teddiursa: Teddiursa.

Ash: Then let's eat before we leave.

Togepi: Togepi.

Max: You're going to love treats, buddy.
Soon, everyone is seated around the table, enjoying a warm homemade dinner. Laughter fills the room as they recount moments from the battle. Meanwhile, Pikachu and the other Pokémon sit nearby with bowls of treats. Togepi happily accepts it, clapping its tiny hands in delight while the other Pokémon watch over it kindly. The next morning, everyone gathers outside

Sakura: Thanks for staying with you for the night. We appreciate that.

Melanie Rose: **Smile** Anytime, Sakura. I'm glad to spend time with our daughter.

Sakura: **Smile**

Marcus Rose: You're heading to your adventure right now, then?

Ash: Yeah, we're going to resume our journey.

Pikachu: Pika.

Ty: Mom…I'm gonna miss you again.

Teddiursa: Ursa.

Kimberly: **Chuckles** I'll miss you too, Teddiursa. **Smile** Make sure you all stop by again whenever you can.

Ty: Will let you know when.

Marcus Rose: Raye, stay safe out there.

Melanie Rose: We'll be cheering for you and your friends.

Raye: **Soft smile** We will. We'll come back soon.
Jackie suddenly runs forward and hugs her sister tightly

Jackie: I'm gonna miss you, Raye Raye.

Raye: I'll miss you too, Jackie.
She sighs slightly at the nickname, but smiles at her

Jackie: **Sniffling, but smiling** You better win lots of battles!

Raye: **Smiling** Count on it.
Nearby, Max adjusts his backpack as Togepi peeks out happily, clapping its hands excitedly

Ash: Looks like someone can't wait to get going.

Pikachu: Pika pika.

Max: Oh he does. Togepi is more excited for an adventure.

Togepi: **Excited** Togepi.

May: You'll be a good companion, Togepi.

Manaphy: Manaphy.

Togepi: Togepi.

Avery: He's such an adorable pokemon.

Lillie: So we're heading back to Ecruteak City, we're resuming straight to Mahogany Town.

Ash: Yep. We're going there.
Professor Elm steps forward, offering a ride to their destination

Professor Elm:
I'll give you a lift back toward Ecruteak City so you can resume your journey.

Ty: Thanks, Professor. Let's go, everyone.

Ash & his friends: **Smile**

Melanie Rose: Take care, Raye.

Marcus Rose: Will miss you more my princess.

Jackie: Bye bye, Raye Raye. I'll miss you.

Kimberly: Take care, my boy.

Ty: Bye mom. See you later.

Raye: Bye mom and dad. You too, Jackie.
The gang gets in the van as professor Elm drives to Ecruteak City, Max was holding Togepi with his arms

Max: Ready for your first big trip?

Togepi: **Excited** Togepi.

May: **Smile**
The group takes one last look back at their families, waving as the morning breeze passes by

Narrator: With heartfelt goodbyes beneath the morning skies, the next chapter of their journey on Johto begins brighter than ever.

To be continued...

(Pokemon Master Revolution Theme Song Plays. Outro:)
I've become the very best
That no one ever was
I've traveled regions and caught some more and now it's time to rest.
Not so fast, here comes some more
And new friends too and they got some things to do
I'll teach them, all the things I've learn about
Pokemon, gotta catch em all, gotta catch em all
I guess it's true and my friends are with me too
It is time for a brand new journey and Pokémon gotta catch em all
Gotta catch em all
